THE BELL BACK WEDGE

Our Bell Wedges give you LOTS of extra headroom and usable space, while requiring only 3 poles and some tent stakes for set up.

STANDARD BELL WEDGE - 8' tall, 10' wide, 11'2" long plus a 5' bell (16'2" overall length). Gives you about 150 square feet of floor space.

SUPER BELL WEDGE - Even roomier! 8' tall, 12' wide, 14' long plus a 6' bell for an overall length of 20' and approx. 225 square feet of floor space.

PAINTED SEAMS - Like those on the standard bell wedge shown to the right are available in any of our acrylic paint colors (see inside front cover for an approximation of colors). The cost for this service is \$90.00 for the standard size and \$135.00 for the SUPER size.
